“ *Jeanne was a special kind of woman with a huge heart who absolutely loved the Lord and prayed for those she cared for. Curiously, her presence is felt more so after she has passed on and know that she’s watching over us. Thank you for continuing to be an angel, as you were on earth.*

“ *I am so so sad to say that my other sister(You said i was your sister that you never had....cosidered sister not sister in law) lost the battle of your life.
After a long illness you passed away into the arms of the lord. I will miss all of our conversations about anything and everything, sometimes hair raising, sometimes happy or sad. I love you Jeanne and will miss you till we meet again. Till then... give popsie a big hug from me. Watch over us all here on earth.. because I'm sure the lord will pick you to be one of heavens angels 🙏❤️💎*

I've taken Jeanne to the coop a few times. You always greeted her and chit chatted. She will miss the coop. Always always talked about it
