“ *Michelle and family -*

*I am so sorry for your loss. I know you were very close to your Mom, and although I never met her, I can see what kind of a strong and smart woman she must have been in knowing you. I send you much love on this sad day and my family's thoughts and prayers are with you.*

*You will probably never read this, your mom was my mom's best friend back in the day. We used to play together when you lived in the house off Livingston*

*My mom passed 090604, my son's birthday. I remember our times, hope you do too. My mom was Mitzie (Dedrick) McCoy.*

*Your mom Jeanette and my mom used to do the jump rope for us so we could jump. Bernie was my older brother Jimmy's age*

“ *Dear Michelle & Bernie, I am so so sorry about the loss of your mom, I am still in shock, I know you had a special bond with her that will last forever. I, personally, loved her always positive attitude and that little giggle. She will be sorely missed by all who knew her. Much love is being sent your way and if I can help in any way, I am there.*

*Be strong, Love Linda*
