“ My friend Jeff was my protector for many years. The best memory I have, when we did the Machine Show at the Big E. We found the *madri gra* costumes and several of the boys dressed up as jesters to scare our fellow guards. At one point we were chased by what we thought was a rent a cop. Nope wrong again. Although we got away, we were disciplined and told **NEVER EVER TAKE THE COSTUMES AGAIN. PERIOD.** Have you ever seen a gentle giant in a jester costume? **PRICELESS.LOVE YOU.** Char

*“ I've had a long working relationship with Jeff at the Palace Theatre and Concert Services. Jeff was not only a hard dedicated worker but compassionate always for his coworkers and those we were facing. He will always be fondly in my memories as a good man and a Yankee fan.
Rest in peace in God's grace Jeff, well earned in life.
Your friend always, Bill O'Donnell*
