“ Jeff was our business coach when our The Maids franchise was young. He was always a pleasure to be with and was very wise for his years. When it came to business, he was very serious and put his heart into the relationship. He inspired us! Ultimately, during our business calls, we would always veer off topic to talk about our lives and our kids and we would laugh like crazy. Jeff's easy smile and warmth is what we will remember the most.

We express our sincere condolences to the Hairis family.

“ Although Helena and I have members of The Maids family for 12 years, we have not had the opportunity to work directly with Jeff. We were certainly aware his presence and his contribution to the organization. Our sincere condolences and regrets go out to his family.

“ *I have so many memories of my little brother, I always will remember his laugh, his smile and how everything I said or did was funny to him. I could make him laugh at times when laughter was what was needed to get through tough times. At every family function we were on the dance floor- we were a great team. I am so blessed and lucky to have had a brother like Jeff. Rest in Peace baby brother, you will always make me smile. I love you so much and miss you! Keep them dancing up there in Heaven!!*
