“ *Jere and I were friends from early days. He went to School 16 and I to school 21. We met at religious instruction classes at Blessed Sacrament Church. While at Philip Livingston Jr High School, there was a dance. I did not plan on attending because my wardrobe was insufficient. Jere went through his closet and selected an outfit for me to wear. I went to the dance and had a great time. We lost touch after graduation. Rest in peace old friend.*
