“ *My deepest sympathy and condolences to the family and friends who loved Joan. Days will not be the same without her. She wouldn't want us sad and while that is impossible after all her suffering, I do have a smile on my face thinking of the best of times we shared.*

“ *Jessica, Nancy and I send our condolences. Joan was a fun-loving straight shooter who told it like it is and lit up the room when she entered. She made an impression. I'll always remember our trip to Ireland – how her presence made it such a “good time” atmosphere.*
