“ *Carroll family, so sorry to hear about the passing of mom. Although I had not seen her in recent years, the memory of her kindness and great cooking is a vivid memory.*

I was traveling out of town and unable to attend the service, but you were in my thoughts & prayers.

*Kind regards,

“ I had heard from family members how warm and loving Joan was. I finally had an opportunity to meet this fine lady for the first time at her granddaughter Elizabeth's wedding. She was so sweet and kind. The next time I had the pleasure of being in her company was at the wake and funeral of my Aunt June. I regret that I didn't have more opportunities to be in the company of this fine, loving and warm lady. My sympathies and prayers are with all the Carroll family during this sad time. She will be missed, but she lives on in her children, grandchildren and great children. Peace be with you all.
