“ I'd like to know if Joan is the same person I knew a long time ago in NYC--certainly looks like her in the picture on this page. If so, i am so glad to be able to say that Joan was one of my most memorable friends back in the 1950's and early 60's. We shared many a laugh-- Joan had a terrific sense of humor, along with a beautiful singing voice. She sang "Danny boy" to the old folks in the Josephine Baird Home on 55th St. in NYC. I remember how happy she made the residents with her lovely, warm and kind attitude toward them. I lost track of Joan in the 60's, but always remembered her through the years,telling my children and grandchildren of her wonderful spirit. You can count on my prayers for her eternal happiness in the Arms of Jesus, the One Joan loved most. My heart goes out to her family and friends.

Sincerely,

Mary Griffith-Bothe, San Antonio, Tx
