“ Joey, Jay, & Brian: I am truly sorry about the loss of your father. Please accept my deepest sympathies to you and your families. To Sue: we have become quite close throughout the past few years and I know that despite the difficult times during the divorce, Joe was still very dear to your heart regardless of how the relationship ended. May the fond memories, the thoughts and prayers from family and friends, bring peace to the entire Buechs family during this painful time.
