

Joseph T. Mahon Jr.

December 1, 1944 - May 18, 2020

Clifton Park – Joseph T. (Bud) Mahon, Jr., 75, of Clifton Park and longtime Albany resident died Monday, May 18, 2020 peacefully at home. Born in Albany, he was the son of the late Joseph T. Sr. and Betty Riley Mahon.

Bud was the patriarch of a boisterous Irish Catholic family. He was the beloved husband for 47 years to his high school sweetheart, Linda Snyder Mahon until her passing in 2012. He was the dear father of Joseph T. Mahon III (Maria) of Albany, Lisa Lynch (Joseph) of Marlborough, MA, Laura Garand (Michael) of Southborough, MA, Kimberly Henzel (Todd) of Clifton Park, and Michelle Mahon (David Sowinski) of Albany. He was the cherished Grandpa Bud of Conner Mahon, Ned and Cam Lynch, Riley, Shea and Nola Garand, TJ Reilly, Grace and Abigail Henzel and the late Ryan Mahon. He was the loving brother of Maureen Murgia (late Albert) and was predeceased by his infant sister Jean; brother-in-law of Jean Snyder (David Domino) and the late Katherine Snyder Fraller (Al); beloved uncle of Gregory Murgia (Lynn, daughters Nicole and Melissa), Maura Murgia (Darby Vedder) and Heather and Brandon Fraller. He also leaves his cherished companion, Marilyn Almy and many lifelong friends.

Bud was born in Albany and graduated from Christian Brothers Academy and

Braden's Preparatory School before attending Siena College. He began his career working at The Modern Food Market while a student. He then went on to spend many decades with Albany International where he held several managerial roles in Appleton Wisconsin, Cowansville, Quebec and Atlanta, Georgia. Albany was always home base for the family. Later in his career, he joined New York State as the Director of the Payroll Implementation project to prepare the Office of the State Comptroller for the Y2K conversion.

Bud was a devoted family man with a wicked sense of humor who loved nothing more than a house full of friends and family and a good vodka tonic (hold the fruit!). He had an affinity for cars, and was known to come home with new sports cars, much to Linda's chagrin. He relished summer vacations on Cape Cod and enjoyed a day spent at the Saratoga Race Course, win or lose. Always a dog lover, he especially loved his Bernese Mountain Dogs, Seamus and Bentley.

The family would like to express their appreciation for the loving care he received from Dr. Melissa Dalzell.

Funeral services were held privately. Interment is at St. Patrick's Cemetery, Watervliet. A celebration of his life will be forthcoming.

Those wishing to remember Bud in a special way may send a contribution to the Cardiology Transplant Team at Boston Children's Hospital at bostonchildrens.org/givenow. or mail checks, payable to Boston Children's Hospital, to Boston Children's Hospital Trust, 401 Park Drive Suite 602, Boston, MA 02215-5301. “ JT, Lisa, Laura, Kim and Michelle. Our sincere condolence on the death of your Dad. Bud and I enjoyed a friendship dating back to 1950 nurtured from a friendship enjoyed by our parents, including summer vacations on Cape Cod. Over the years we enjoyed countless memorable, fun-filled times with your Mom and Dad. The notorious big green cooler was always well stocked with beer for our many picnics at Thompsons Lake and Hearthstone Point in Lake George. It was obvious in any conversation one had with Bud how very important his Family was to him. May he Rest in Peace.

God Bless,

“ Bud leaves a wonderful legacy. Great son, father, brother, grandfather, and friend.
May his family remember the good times, especially the Cape. Bud loved the Cape, since we were young children.
I am his cousin, we kept loosely in touch over the years, His children were his pride and he never hesitated to tell me about them and what they were doing.
I look at the his picture and see his dad.
Blessings and peace
