My dear Brother Mc Dermott .
You were my hero as a primary school Headmaster at Edmund Rice Primary School Pim Street Belfast.I always wanted to stay at our school before I moved to St Mary's Grammar School Belfast in 1968/1969.
You taught me more than I could appreciate at that time.You gave me jobs at Primary School and taught me responsibilities that I didn't even know I was capable of understanding.I will never forget that and I am eternally grateful that you were a very special and wonderful man in my life.
I know that I was very young when I met you and you have influenced my entire life to this day
Thank you for your kindness , love example and everlasting standards you taught me as a primary school child.It has always stood by me and moreover my son Declan who was sworn in as an Attorney at Law in Albany some years ago.
Really sorry you weren't able to attend that important event.
He's now in Hong Kong as a lawyer and married to an American girl.
I have letters from you which will always be precious to me and I'm grateful that you were part of my life.
I will always love and cherish the shot time I spent with you my dear Brother Mc Dermott.
I will always love and remember you.
