

Dr. Joseph B. Rukanshagiza

June 6, 1952 - May 4, 2025

Loudonville, NY-Dr. Joseph Banyanga Rukanshagiza entered eternal life on Sunday, May 4, 2025.

Joseph was born on June 6, 1952, in Kabale town, Kigezi District, Uganda, to Tadeo Banyanga and Rose Mukaira. He attended Muchahi and Kashaki primary schools, completed junior secondary at St. Mary's College, Rushoroza, and senior secondary at St. Leo's College, Fort Portal. He earned his undergraduate degree from Siena College in Loudonville, New York, before pursuing graduate studies at the State University of New York at Albany, where he received a master's in sociology with an emphasis on political sociology, a Master of Regional Planning (MRP), and a PhD in Political Development and Africa.

Though he lectured and traveled widely, Albany was home for more than 50 years. His journey to Siena College was made possible through the patronage of Robert Reilly and the Brothers of the Holy Cross, who had been his teachers in both Uganda and life. Known affectionately as "Joe Ruk" he became the most decorated runner in Siena College history, earning four All-American honors—two in cross country and two in track.

Dr. Rukanshagiza was a scholar, teacher, author, and lifelong advocate for African studies, dedicating his work to critical issues of race, politics, and

development. But he was just as well known for his warmth and generosity—welcoming many into his home, never knowing a stranger, and always putting others before himself, especially his family. He touched the lives of students, colleagues, and countless international students whom he helped to feed, house, and mentor as they adjusted to life in the United States.

He was preceded in death by his parents, Tadeo and Rose, as well as his sister and five brothers. He is survived by his children, Jacqueline Busingye, Emmanuel Bakarema (Jewel), and Derrick Kihembo (Gabriella); and by his beloved grandchildren, Tara, Theeran, Freddie, Eva Rose-Marie, and Luciana.

The family extends heartfelt thanks to the staff at St. Peter's Hospital and Our Lady of Mercy Life Center. In lieu of flowers, contributions in memory of Dr. Joseph Rukanshagiza may be made to the Cross Country – Coaches Discretionary Fund or to Siena College for The Joseph Rukanshagiza Fund for International Students.

I have known Dr Joseph B Rukanshagiza since 1989. Joseph and I have been great friends in every aspect. I have known Joseph as a great humanist, kind and very generous to all manners of people. He has been a family man and very accommodative. He leaves an invaluable impression on me and my wife Catherine. May Joseph's soul rest in eternal peace. Rest in peace my everlasting brother and friend, Joseph. The Lord gives, and the Lord takes away. That is the way of our world. Praise the Lord and until we meet goodbye my dear friend and brother, Joseph.

Dr. Joseph B. Rukanshagiza your life was a blessing, and your memory is a cherished treasure. You are loved beyond words and missed more than I can express. You were the first person to embrace me as a brother when I arrived in Albany, NY. Friends are the family we choose, and losing you feels like losing a part of myself. Your laughter still resonates in my heart, but I long to hear it in person again. In the Book of Life, you were my favorite chapter. As you depart, my brother, I will always remember, honor, and carry you in my heart. Saying goodbye isn't for us; instead, I will say that I miss you and look forward to the day we meet again. Rest in Peace my brother.

He was a father I never had growing up. Months later but I still fail to believe that he is gone. I will forever be thankful to God for him. Words cannot explain how impactful he was/is in my life. Continue to rest peacefully Uncle Joe

“ My Brother Joe
You promised that when I come back to Albany, I will meet you, but you passed on to the land of the ancestors, the day I arrived. As they send you off today, be comforted that you championed the cause of Africa in the United States through your kindness and open-mindedness. In the midst of Japhet Zana, Mary Amuge, Elizabeth Essien, Languida, Boji Jordan and Barbara, Grandpa and Grandma Boyd, Coli Clark and others, you made life meaningful to us here in Albany. Now that you have joined them, we now know that when we join all of you, we will at least have a place to stay. Fare thee well my brother I will meet you soon. Please, tell them that I am on my way. It is just a matter of time. Our ancestors will find a place for you in their midst

Goodbye My Dear Brother Rukanshagiza!!!! May the Lord be with you.

“ I have fond memories of competing against Joe in x-c and track while I attended college at Oswego State. He was a tough competitor and a gracious competitor whether winning or losing a race. His life is surely one that has contributed positively and greatly to the world.
