“ Uncle Joie,

My heart is broken. However, I know you wouldn't want us to grieve your death but you would want us to celebrate your life. And that is exactly what we will do. Through all your trials and tribulations, you were a pillar of strength. You gave and gave to all of us and never wanted anything in return. Nana, Papa and your sisters and brother welcomed you with loving arms and you are now free. Until we meet again Uncle...

*Always & Forever,
