“ Dear Joanne and Jessica,

My heart is with you both at this difficult time. I will always remember the stories you had of your mom, Joanne, through the many, many years of our friendship. She had so much pep right up into her older years! Roller skating and bowling - I will always remember her for having so much energy. It seemed like she never stopped. I'm sure she will be greatly missed.

She will always be watching over you. Remember the good times you shared with her. Keep those memories alive and in your heart.

*Love you both,

“ Well, Mom, You Out Lived Them All. I hope with your passing, you are now with the ones that you love. We all miss Daddy, Aunt Grace & Uncle Danny, Uncle Joe & Aunt Lena, Uncle Mike & Aunt Mary, Aunt Minnie & Uncle Nin and your sisters, Aunt Fran, Aunt Lou & Uncle Bob.

There are things I will always remember you saying to me (1) If your looking for something Honey, you've got to pick things up to find what you are looking for. (2) And always cover your skin when your out in the sun with sunblock or you'll have skin like mine. You were so right about the little things.

The Last of a Generation, as a closing of time ends, so comes the New Generation. With hopes Mom, that you can help all of us who are left behind in some small way.
