“ Dear Larry.

Words cannot express the sadness we feel. All of the memories of the great couple times we shared in the 60's and 70's are going through our minds from each our weddings, to our Christmas celebrations, our ventures to Canada, Toronto, New York City, and Sherkston Beach and the every day kinds of fun we had together. For Emil the fond memories of Joyce go back to childhood of the time he spend with the Walek family on Moeller and at Crystal Beach. Jane has her own special memories with Joyce from their years of working together at UB. Even with your move to Rochester and subsequently to Albany we managed to visit and relive old times while making new memories. Even though we didn't get to see each other very often in recent years, we always looked forward to the long Christmas notes, the occasional phone conversation and the periodic summer visits, including a couple of reunions of the "Moeller Street Gang".

We will remember Joyce as a wonderful, kind and caring person with a great sense of humor. You two have been a great couple and true friends to many. Our love and prayers go out to you as you live with Joyce in your heart now. May the Lord be with you through this difficult time. We also extend our deepest sympathy to the Walek and the Klein families.

*Love,
Emil and Jane DiSalvo*

“ Dear Larry, I was saddened to see that Joyce passed away. Joyce and I had such good times when we worked at the University of Buffalo. We double-dated a few times and also flew to New York City for a weekend. She also attended my wedding shower and wedding. She was so much fun. Please know that my prayers are with you and your family at this difficult time.
