“ *Dear Coyle Family,*

We are so sorry to hear of your mother's passing, and we have very fond memories of her. Over the years in Naples we shared many Christmas dinners with my Mom, Mary Roberts, and your Mom, Nita as well as dinners and cocktail parties at her condo and a few shopping outings. Nita was the life of the party, quick witted, always ready to laugh. As you well know, she was very considerate of others' well-being, and a great hostess. She was a wonderful friend to my mother, and lots of fun. We hope your wonderful memories will ease the sadness of your loss.

With Sympathy,

*Margaret Roberts and Ira Bloom

“ Tom, Rick and families, we are very sorry to read about the passing of your mom. She was a beautiful lady and a close cousin and friend to my mom, Dorothy Van Epps Greene. It was at your mom and dad's wedding and the Orchard Tavern connection that my mom and dad met, fell in love and the rest as they say, is history. Keep her beautiful smile, warm personality and great memories, alive in your heart always. God Bless you all.

“ It's hard for me to think I will not see Juanita again. For years, when we worked together at the Business Council I saw her every day and talked to her more than I did my husband. We knew about each other's families not just work issues. Juanita was from West Albany so we shared that background growing up as the children of Italian immigrants. She was also a great co-worker and boss, smart, understanding, and a lot of fun. The Business Council had the best retirement and birthday parties. Juanita was a gentlewoman, full of grace and style. She was my friend and is sorely missed. Theresa Armao

My parents, Ed and Marcia Cummings, were such close friends with Tom and Nita. They loved them both very much. I remember Mrs. Coyle very fondly. She was a lovely woman and great friend to my mom who passed away over three years ago. My thoughts and prayers are with the family.
