

## Judith A. Allyn

December 18, 1945 - February 19, 2023

Glenmont, NY-Judith Allyn of Glenmont, passed away on February 19, 2023. Judith was born in Albany, NY to Ruth Neville ( Shaw Neubauer), (deceased) and Robert Albright (deceased). Judith was predeceased in death by her grandparents, John and Helen Neubauer.

She is survived by her husband Robert Allyn, sons Mark (Melissa) and Matthew, granddaughter Victoria (Philip), grandson Trevor (Catalina), great grandson Liam Robertson; Aunt, Joyce Gorzynski (Louis); Cousins, John Gorzynski, Gail Dillon (Dan), Debbie Heinmiller, Pam Deitz (Robert), Michael Bowers (Bonnie).

Judith graduated from The Academy of Holy Names in 1963. Judith met Robert in 1962. Their love was immediate. They were married in 1967 before Robert went to Vietnam, serving with the USAF. She always said when you see one of us, you see both of us. She truly adored her children, grand children and new great grandson. She worked at St James School for 10 years as a bookkeeper, and at St Peters Hospital for 35 years in several capacities, ending at the NICU.

Judith inspired love, empathy, family, keeping things simple and had unbridled strength in her survival and then many fights with cancer. She believed that everything happened for a reason and she always knew how to get to the

heart of issues, making them seem clearer. She was her family's north star, sun of our hearts and said it all so true. We will miss her enormously.

Relatives and friends are invited to visit with Judith's family Thursday, February 23, 2023 1:00 pm to 2:00 pm at the Historic Church of St. Mary on Capital Hill, Albany, NY. Her Funeral Mass will follow at 2:00 pm.

Those wishing to remember Judith in a special way may send a contribution to St. Jude Children's Research Hospital, 501 St. Jude Place, Memphis, TN 38105.

“ *To Judy's family,  
It's been a pleasure knowing Judith from her childhood on Murray Drive and Colonial Acres through her nursing career. She lit up my life whenever she discovered that I'd been admitted to the hospital and stopped in to cheer me up. I join you in mourning the loss of a gentle sweet soul. She made a positive difference in so many lives.*

“ *I worked with Judy in the NICU at St. Peter's Hospital. She was capable and pleasant even under stressful conditions. Oftentimes the first person a family member met of a seriously sick baby was Judy. She had that ability to both calm and comfort them. It made the nurses and doctors work easier. She was a great team player. Judy will be remembered fondly. My condolences to Bob and the family for your deep loss.*
