August 1, 1979 - July 3, 2019

“ *Bill,  
I was sorry to learn of your daughters passing. I hope you are easy on yourself as I know first hand what this type of grief looks like. Please feel free to contact me if you need to talk or just to say hello. Tomorrow will be 1 year since my dad decided to choose his own path and I do have some perspective*

“ I worked with Judy years ago when one day she received the most beautiful bouquet of roses at the office. They were such an unusual bright pink in color that I asked her about them. She told me they were from her dad. I am sincerely sorry for your loss. May you find peace and comfort in your memories of her. Sincerely D. J. White

“ *I do not know you, nor did I know Heather but I share in the sorrow of your loss. I want to also acknowledge the courage it took to mention your daughter's struggle with addiction and depression in your tribute to her life. We as a society need to talk about the disease of addiction and the life robbing effects of depression. May you find some measure of peace over time with the love and comfort of your friends and family. I will keep you in my thoughts and prayers.*
