We have fond memories of having a great time with you and Martin and your family in 1980. We'll always remember the laughs we had when Uncle Martin teased you - your little donkey - your big meals and your generous heart.

Just watched the video of Kathleen at many family events. She was a lovely lady and we have great memories of her visits to Ireland with her family and our visits to Albany. Always got a good welcome in her home. May she rest in peace. Sincere sympathy to Mary Pat, Peggy, Michael, Martin, Paul and their families.

“ Mary Pat, I just learned of your mother's passing and was so sorry to hear of it. She was such a wonderful and caring woman. I loved working with her at Saint Anne's. I hope you and your family will find comfort in knowing that she is safe and happy in heaven with all her friends and relatives who have gone before her.

“ Dear Peggy and family. I just watched Kathleens' tribute, it's so lovely. I am thinking of you all at this time. I had such a good time when I came to stay with your mam in 2008. She made me laugh endlessly and always had a smile on her face. I hope you are all ok

“ Dear Peg and your family, you are in our thoughts and prayers as you have been all along. The video was a joy to watch and thank you for that. A memory we have is that when Kathleen met our son when he was a baby, she made him laugh and they were instant buddies and then she made me laugh many more times that day with some stories and her way of telling those stories. Take care and God bless you all, The Travers family
