

Kathleen M. Klimek

February 5, 1947 - March 19, 2017

Latham – Kathleen M. “Kathy” Klimek, 70, of Latham, N.Y. passed away peacefully on March 19, 2017, surrounded by her loving family. She was born in Albany, N.Y. on February 5, 1947 to the late William C. and Virginia A. (Williams) Robinson.

Kathy cherished every moment she spent with her family and friends. She routinely opened her heart and home to those she loved. She was a gentle monarch whose warmth and compassion were equaled only by her selflessness, constantly giving of herself. Her legacy will live on through the life lessons she imparted to others.

Kathy was passionate about her career and served as Director of Medical Records at CHP and Whitney M. Young Jr. Health Center. She enjoyed hosting holidays, especially Thanksgiving, and vacationing on Cape Cod. Kathy relished spending time on the deck of the summer home with her beloved dog, Snickers.

She is survived by her beloved life partner of 34 years, Melanie J. Fuchs; her loving children, Heidi A. Bazicki and Jody F. Klimek (Staci A.); grandchildren, Mikayla K. Bazicki, Sydney G. Bazicki, Jodi G. Klimek and Joshua T. Klimek. Kathy is also survived by her three siblings: Michael (Laura) Robinson, Robert (Mary) Robinson, and MaryEllen (Michael) Smith, as well as several nieces,

nephews, great-nieces and great-nephews.

“ *To Kathy's Family*

Kathy was always a team player ready to go that extra step to ensure that a task was complete. Compassion was her middle name willing to share her gifts that help both staff and patients . I remember when she and Brenda built a park in the back waiting room for a community art show When she and her staff made a paper chain that went from the bottom floor thru out the WMY to show how each department and employees were connected and form a strong bond not just with each other but enriching the lives of the people that we served. Kathy rest in peace I know you are now sharing those M&Ms with the angels smile.

Diana Martinez-Holland you show me how to be a team player.
