“ I often reminded Kathy that she was much older than me (10 days), and then we'd have a good laugh! Kathy and Dave were always there for us, and they kept a close watch on our home since we lived in North Dakota and were only able to be in Troy occasionally. We always had good visits about our yards and gardens and what we could plant that the deer didn't like!

Kathy will leave a big void in the lives of her family and friends....she was loved by many.

Rest in Peace, my friend..
