“ *Dear David and family..
I was so sorry to hear of Kathy's passing.
We went to high school together and I have so many great memories of our times together.
I remember staying at her house in Lake George and also sitting at her kitchen table in her house in Albany, sharing many stories with her and her mother. I can still hear her contagious laugh.
May her memories and God's love sustain you at this time.

Mrs. Redpath was amazing...always there, always supportive. Anytime I walked into her home a few doors down as a kid I was always welcomed, with a smile, a hug. Happy memories I will never forget.

“ *Mrs. Redpath, and the entire Redpath family, was one of the best parts of growing up on Hickory Road. She always welcomed us into her home - with that red kitchen! - and fed us food and wisdom. Talking to her as an adult, I loved hearing all of the stories of things that were really going on back then and hearing her laugh. She was an absolutely genuine person, full of love for her family, and she will be missed.*
