“ *Kenny was the best neighbor I could ever thought of having over the past 33 years, but most of all he was a true friend. He and Pat were always there for us.*

I was always impressed with his incredible knowledge of machinery and equipment. He had a tool for everything and knew right where it was. I will especially miss the many times we spent on his front porch having a couple of cold ones together.

We know that he is happy to be reunited with his loving wife, Pat, whom we know he has missed greatly. My entire family will miss him dearly, and our sincere condolences go out to his family.
