“ *Maureen, Jessie, and Jamie-*
As you know Maureen, I found out about Ken's death through our Christmas correspondnce. It blew me away. I just cried and cried. He survived whatever life threw at him. He was someone that you always thought was going to go on and on. He would always be there.
I'll always remember that "husky" laugh and that "goofy" smile when he knew something I didn't (which was alot of the time). He helped so many along the way.
It was one of the great joys of my life to have known you both On some cold Saturday I'll stop by for some coffee. All my love as always! Rick###imported-begin##Rick Couden##imported-end##

“ *Dear Maureen & family, Fran and I were so saddened to hear of Kenny's passing. We know he was such a strong and vibrant soul who had a zest for life, under even the most dire of circumstances. Kenny certainly made the most of the "Dash" between his birth and his passing on and will always be fondly remembered. There is no doubt that they are rejoicing in Heaven that he is with them. God bless and much love to you all. We'll all miss him. Janet & Fran##imported-begin##Francis & Janet Peruzzi Provino##imported-end##*
