“ *My name is Christina , my maiden name was Slattery and I remember Lillian, and her son Larry. I found Larry online about 6 months and called him. What great joy it was for me, to talk about his lovely Mom who worked for my mother in early 1950s. I loved Lill as my own Grandmother! How loving she wash! And to speak to Larry was truly a moment I will cherish. Nichole, I, wish you peace and hope and prayers are being offered for Larry
