“ Laura loved walking on the beach 🏖️ in Maui; I liked picking up shells and she indulged in my distraction. She would encouraged me to get going and exercise. I needed it. She never stopped coaching me with simple steps to help me improve. She was a natural, exercise and proper diet was her life. She had an endearing little laugh and cheering at life.
I never stopped caring. Her lose has left a hole in all our lives.
God bless and my sincere condolences to her family.

“ I am so saddened to hear of the passing of Laura. I remember competing against her in club gymnastics and was so excited to learn we would compete at TWU together. She was a very talented and amazing gymnast and a great teammate. She will be truly missed. Wishing her family, daughters and friends much love and peace during this difficult time. May you find peace and comfort with all the happy moments of Laura's life during the days ahead. 💕

“ *Laura was an amazing gymnast who elevated TWU gymnastics to a new level with her awesome talent and All American awards. She was also an amazing student at TWU & was recognized as an Academic All-American. She had a strong work ethic in and out of the gym that made us all work 100 times harder! I'm really sad to learn of her passing. Prayers for her family and all who new her! This is a big shock & a huge loss for everyone.*
