*I was saddened by the loss of such a great person inside and outside!! My condolences goes out to the family.. I've known Linda as a co-worker and friend for many years. We never had time to go out for coffee as we both led such busy lives caregiving.. We shared many laughs, stories, etc. She loved her husband, kids, and especially the grandkids.. “ Dear Don, Mike, Patrick and all your family, Bob and I are sending you our deepest condolences, we are so sorry about Linda. Not only was she a fellow high school friend, but a beautiful person inside and out to visit with whenever I saw her around the neighborhood. I will especially remember our fun days watching our boys on the baseball field, Linda and I would both stand in the same lucky spot next to the bleachers when they were up to bat, hoping for a base hit in a playoff game. I will always remember her beautiful smile and outgoing friendliness she had toward everyone she met. God bless you all. Love, Kathy and Bob O'Brien

“ I'm so sorry I missed this beautiful tribute. I went to elementary school with Linda at St Catherine's and remember the visits to her house where her Mom made such delicious food in the kitchen in the basement. Over the years, I didn't see Linda much, but when I did she always greeted me with her beautiful smile and loving hugs. She was so beautiful inside and out! My prayers and thoughts are with her whole family. Susan Tyrrell Moore

“ *To the family & friends of Linda - I will miss her bubbly personality & caring nature. She was more than a work colleague - she was a friend who saw me through some of my darkest days when my oldest son became ill. Linda was always positive & upbeat. A genuinely kind soul who loved to laugh. And laugh we did! She spoke endlessly of the love she had for her family, & about how much she always looked forward to the time she spent with her grandchildren. I will never forget her!!! May God help us endure the immeasurable pain of this loss, because she was loved by so many. Our network of caregivers will never be the same without her. She was the best! Her clients loved her dearly! I have unwavering faith we shall all see her again. My sincere condolences and deepest sympathy to Linda's friends and family. God Bless you all. - Daniela Filmer*

“ Great honors and memories were the moments that I was in Linda and Don’s wedding as a little girl and a Godmother to Patrick. Linda and I had many European adventures throughout the years which were beautiful. The family dinners, pool time, laughs, fun, and her delicious hot peppers were a great hit. Linda and Don raised stellar sons which stemmed to wonderful grandsons. My grandmother, Josephine was so close and always there as was Pidgie and Molly and her sister Theresa. Angelo was Linda’s brother, and they shared a special bond. Throughout the good times and bad times the family always came together. I will always think of Linda not only as a wonderful aunt, but a good friend.

Love and miss you, Linda. ❤️
