“ *I was a student nurse with Linda at AMC School of Nursing. She was my roommate for a time and she stood up for me when I got married. I'm sorry to have lost touch with her over the years and saddened too, to read of her passing. She was a dear friend whom I will never forget. Sending prayers to her family on their loss.*

“ It was sad to see the smiling photo of Linda in her obituary. I worked part time for many years at AMCH so knew Linda when I was assigned to her unit. She will remain one of my many memories of my employment @ the hospital. Linda's smile & example of care for patients still brings a smile... My deepest sympathy to her family & friends.
