“ *Linda was always full of fun and enjoyed every minute of her life. She made the world a better place and brought a special magic to those of us who were privileged enough to be her friends. I will miss her laughter, her comfort, her endless smile, her arguments both for and against, but most of all I will miss a truly special friend and the endless times and fun we had. Bless and comfort all of us who must go on without her. Till we meet again.*
