“ We were so sorry to hear of the passing of your Mom. We had such great times together when Bryan and Joey played soccer. She was a warm and compassionate woman and I, Marie had many good conversations with her. Her spirit will live on in you and your families.

“ I was so sorry to hear of the passing of your Mother. I had seen her, I believe, in the last year at physical therapy and she was so proud of her children and grand children and told me how she was always traveling to see them.

I had the privilege of going to both Cathedral grammar school and Cardinal McCloskey H.S. with her; and high school with your father as well. Both were really great people and good friends. We spent many fun filled years together.

I'm sure God has welcomed your Mother into his Kingdom with open arms and she is now watching over us with Beverly and some of our other classmates. May she rest in peace.
