“ She became a second Gramma to me. When I told her that she was like a Gramma to me, she was very touched by that. It brought tears to her eyes. She was honored to be my second Gramma since the Lord took both of my Grandmothers' home. I ate lunch with her every Monday - Friday in which that I was able to. I will miss you very much Gramma. I love you more than words can even speak. Love your Adopted Granddaughter,
