“ *Dear Laurie, Mark, Stephen, and Peter,*

*Seth, Brett, and I are so sorry for your loss. Your mom lived a long, full life, and her obituary reflected that well... the accompanying picture was radiant! Lucille was my neighbor for forty years, and not a single day passed that I didn't look out my window at your family home across the street. It's been a while since Lucille and I chatted at the mailbox or went to lunch, and I can only imagine how difficult the last few years have been. I hope you can find solace in some fond, funny, and encouraging memories.*

*Our thoughts and prayers are with you,
