“ *Although I have not seen Lucy in many years, her husband Ralph and my father Michael were first cousins. I recall visiting the Ciani's on Madison Avenue many times. I will pray for Lucy in addition to all our relatives who have passed on. My sincerest sympathies are offered to Lucy's family.*

“ *I have known Lucy for 40 years. What I will remember the most about her is her love for her family. She was always either crocheting or doing needlepoint for her family. As the family grew, so did the hours she spent doing this. She loved it though even though everyone had to get one of each item she made. I will also remember her love for playing cards and playing games. She was a kind-hearted woman who enjoyed life. She never had a bad word to say about anyone. Even in the assisted living facility she knew and loved everyone. Lucy, you were loved and will be missed by many including myself. I rejoice that you are with Jesus in heaven and with Ralph, your sisters and the rest of your family. My deepest sympathy and prayers to the family. With love, Linda Mazzaferro*
