“ *My thoughts and prayers go out to the entire family. Luigi was like a Dad to me, he always made me feel welcomed as did Elvira (Mom) when at their house. So many memories that I'll never forget and always cherish, especially that one time Luigi put me in a Full Nelson, (wrestling move in case anyone was wondering) my neck cracked, and Luigi laughed and just said, get out of the move. There was no breaking the hold he had on me, my only thought, “well this is how it's gonna end for me” Eventually he let go of me, my neck was thankful, and the only thing he said was, “I'm strong, betcha didn't think that.” There were other great and funny moments, too many to mention for sure. R.I.P. Luigi (Papa) until we meet again someday.*
