by his side. I am so honored to have been given the opportunity to
share a good part of my life knowing you. Hope that I proved myself
to you and became the man and husband to your daughter as
Ignacio was to you. I pray that you went on on to a better life

“ Dear Liz & Family,

God saw her getting tired and a cure was not to be. So He put His arms around her and whispered "come to me." With tearful eyes you watched her, and saw her pass away. Although you loved her dearly, you could not make her stay. A beautiful heart stopped beating, hardworking hands at rest. God broke your hearts to prove to you, He only takes the best.

I have no idea what you must be going through in losing what I think is the strongest pillar of strength in your life, this you only share with Sam. I know your mother was that to you too, and with this loss come so many layers of heartache. Please know our hearts are open to you during this time of incredible loss.

May your memories give you strength & keep you smiling.

We love you dearly,

Sam, Ada, Boli & CJ##imported-begin##Sam & Ada##imported-end##
