“ *When you remember me, it means you have carried something of who I am with you, that I have left some mark of who I am on who you are.*

It means that you can summon me back to your mind even though countless years and miles may stand between us.

It means that if we meet again, you will know me. It means that even after I die, you can still see my face and hear my voice and speak to me in your heart ..

“ Mom

*As I sit here by myself i'm flooded by emotions
I'm unsure of what to say or feel but I know
My heart aches
But I try to be strong to get through this
As I look back
you had me you were a 23 years old you had me so young and I
was the last of 4 children
I know it wasn't easy but I'm glad you were my mother
I remember some of the good times we had and try to forget the bad
I know we had our problems but I just want you to know
I love you and miss you dearly
Now you're with the Angels*

Here's a poem for you

A love letter from those who have passed on...

*Take the love you have for me
And radiate it outwards
Allowing it to touch and impact others*

*Take the memory you have of me
And use it as a source of inspiration
To live fully, meaningfully and intentionally*

*Take the image you have of me in your mind
And allow it to fuel you
To take action
Seize the day
And be reminded of what is most important in life*

*Take the care you have for me
And let it remind you
To care for yourself fully
And shower yourself with your own love*

*And take the pain and grief you feel
Following my loss
And alchemize it into
Love, compassion and beauty*

*Build a castle
From the wreckage of my passing*

*And allow it to unlock your greatness and potential
And empower you to become more than you ever thought you were
capable of being*

*And know that I can never truly leave you
And will always remain beside you
Watching over you in spirit
And that the love I have for you lives on
Through the connections you form
The kindness and compassion you share
And the future relationships and friendships you cultivate.*

*And until we are one day reunited
I will remain with you
Through the storms and chaos of life
And am always beside you
Walking with you, laughing with you, crying with you and smiling
with you*

*And I am proud of you for being strong
I am proud of you for being brave
And I am proud of you for being you.*

“ Mom, It saddens me to write to you now that your gone. I know I have silenced you for so many years, and you would always reach out to me on my birthday holidays, and I would hardly ever respond. I was deeply hurt as a child and just kept everything inside. I never once hated you, just decided to stay to myself I love you and always will. I hope you reunited with all your family and friends of already passed. You will be a beautiful angel up above, please forgive me for all the years. until we meet again love & miss you forever. Your firstborn, Alfred , Charles OLSEN, Junior. ❤️🙏🏻🕊️💕🙏🏻
