“ I am so sorry to hear of Marcia's passing. Your mother was a lively and delightful woman with a great sense of humor. Although I only met her a few times I always enjoyed seeing her. She must have been a wonderful mother as well--I can still remember Susan's story of her determination in driving around town in her pajamas hunting down teenager Rob to bring him home!
My thoughts and prayers are with you at this difficult time.

“ Bob, Jack and Family;

So sorry to hear of Marcia's passing. I was able to spend several months visiting with her when my Mom was at OLM. She would often have dinner with us and she and Mom would remember the old days. She always had a smile for me.

Although we understand why our mothers have left us, it takes a while to accept the situation.

May your fond memories sustain you.###imported-begin##Tom Burch###imported-end##
