“ To the Carroll Family...

I was truly blessed to have met your mom when she lived in Atria and I was double blessed to have become her hairdresser during her stay...

I remember when my Dad passed I meet a few people that told me how he left a special mark in their lives and swore that if I meet someone like that I would make sure they were honored after they left us..and your mother was one of those people that left a mark in my life...at 930 every Thursday morning she would come into my salon and if I was grumpy or crabby she always and I mean always make that feeling go away because of her amazing personality...she was a woman of faith and always told me she would pray for anything that was going on that worried me, she was always happy no matter how she felt she smiled and it was a smile that warmed the room, her jokes and stories would do nothing but make your belly hurt from laughter..her stories of the love she had for her children and family made people tear up because she had a undying love for all of you. She truly TRULY was an amazing woman, the lesson she taught me was no matter how bad you have it in life you hold your chin up and smile and go forward! I will always,always hold a special spot in my heart for Peg, her amazing way of life only makes me pray that I am the same as she as I grow older and to hope to pass that message to others...I am praying for all of you right now and I can't tell you how sorry I am for your loss, she always told me she will be at our shoulders,she's never going away..and she said that as she laughed so she is truly with each of you in spirt! Love to all of you~ Dede Fink~

“ *I know how loving and wonderful Peg was as mom and grandma, because her children shined for her. Jean, it was so evident how much you loved and adored your mom. I also see you being the same wonderful mom to your daughter, because that's what you learned from Peg. I mourn her loss because I enjoyed her as well. I am so sad for the Carroll family's loss, but please know that she now will be able to watch over you from another place. All my love, Cyndy Allen*
