“ *There are no words to explain how heart broken I am. I loved your Mom and Dad. If someone asked me to speak about the love of an aunt and uncle throughout my life your parents would come to mind first. They were a huge part of my growing up and always there for me. I am glad they are at peace and together once again but I will forever miss them both. I am so thankful I got to spend time with them at my Dad's 90th birthday party. What a magical night with all the Meisters together again.*

“ *I will miss Marge so very much she was my second mom. I would have done anything for her. She was an amazing person and friend. May she rest in peace. Thankyou for letting me be part of your family*

“ Dear Family,
I took care of both Albert and Margaret- they were two of my favorite patients! I will miss Mrs Meister and her wry sense of humor. She always put a smile on my face. She was a strong woman and a pleasure to take care of.
Sincerely,

“ Dear Family:
I am Mary Jane Persico, a good friend of Marge's ever since high school. We had such wonderful memories throughout the years of the great times we shared. . Al and Marge meant so much to me and my family. We had much love and respect for each other. I know how much Marge has been through and I cannot wish her back with the health problems she suffered because I know she is now at peace in the arms of our heavenly father . She was a wonderful lady who we will never forget.
(I'm so sorry I cannot make the services as I will be away but she is in my heart).
