*I wasn't able to go to the wake or funeral due to surgery. I loved Neener very, very much. Thinking of her as a mother figure gave me such pleasure. I'm so broken hearted that she is with Jesus in heaven and I won't see her for a while. She and Poppy brought up wonderful children. I've been praying for her family and friends to be comforted by our eternal Lord and Savior forever. I love all of you. God bless all of you in Christ Jesus name I pray, amen.*

“ To all of the Prince Family,

*I have been close to the Prince Family since the early 1960's. Mike is my best friend. It is a credit to Peg and Ed that Mike is the finest man I have ever known. Peg was the rock of the family. With all the swirling dynamics of seven children, she was nearly unflappable. Peg always made me feel part of this special family. I will always be appreciative. So many fond memories shall endure forever.*
