“ Hey Peg:

As I was watching your tribute video I heard what most people would think was thunder. But I know it's not thunder at all, it's that crazy Jack Coleman and the even crazier Mary Cain. They're stomping their feet to the rock and roll music playing at your welcome home party in heaven. Say hello to the family for me and party up a storm! You will be missed here on earth.

*Love,
Lynn*
