“ I was a coworker of Maria’s at the Construction Fund. Her smile, laughter and wonderful personality were a joy to be around. I loved running into her after retirement when doing errands to find she hadn’t changed a bit. She was genuine. She will be missed.

“ *Steph, Matt, Alexandria and family...Maria was a special woman. May your memories of your times with her bring you comfort during this trying time. She always had a smile on her face and a kind word when I saw her. I am so grateful that I was honored to know her for the last 30 years. She lived a long and full life, for that I know you are grateful. Although that doesn't make any of this easier.. Please know that we are thinking of you all and that Maria and all of you are in our thoughts and prayers! We love you!*
