Marie was a dear, dear friend of my family. She took me down town, many times, and out to lunch at John G. Myers's. We all had such great times with her and Jay. Wonderful, happy, fun, times. I cannot say enough about the wonderful person Marie was. She will be greatly missed by all who knew her. Peter, Maria and boys, I am so sorry to learn of Marie's passing.

“ I knew Marie from my work at the CP Center years ago when I was Maria’s social worker. I ran into her a few years ago at my part time job where she was looking for comfortable garments for Maria, who I think was still living home and cared for by her wonderful parents. My heart goes out to Peter and Marie’s family at this time.

“ Aunt Marie was so beautiful. Over the years she never aged. Beautiful inside and out. She was a wonderful Aunt. I remember going to Aunt Marie and Uncle Pete's almost every weekend. Enjoyed always visiting when I was little and we'd have cookouts and in those days you played outside. Didn't have phones or electronics in your hand all the time. Roasting marshmallows and playing hide and seek. Or just play board games downstairs in the house with my cousins. That was how you really had fun in the day. But every time there was a fun time. There was always so much good food and lots of love to go around the table. My heart goes out to you Uncle Pete, and cousins Mike, Maria, and John. It's been many many years but the memories of Love and Family never fade. My heart and prayers are with you all. Becky and myself will be at the service for your mom, so we love you all and will see you soon. So many years have gone by but you were all always in our thoughts and prayers as you are now. Rest in peace Aunt Marie. You were one of a kind. We love you always. I have so many great childhood memories with her and our whole family as a part of my life. I've been blessed to be a part of you all. With love and sympathy. Sandy Biondi-Quirino (Teds Daughter) Love and peace to your family. ❤️
