“ Tom, Dennis and Family, My deepest sympathy on the passing of you Mom. She was always a very welcoming presence on Oakwood Dr. When we were kids, and still called her Mrs. Tracy, she always had a laugh or kind word for us when we'd come to play baseball in your yard, or share a story about your then dog "Butchie". As an adult when I'd come to visit my Mom @ # 39, it was always a bonus if I spotted your Mom pattering out on her front lawn so we could visit and catch up on what was new in our lives. Marie's warmth, laughter, strength and kindness were gifts that she shared with many of us. I will miss her and her joyous spirit! Savor your memories together. Penny (Harrison)Distin

“ Dear Tom & Dennis and Family,
I am sorry to hear about your Mom's passing away. She was a great lady! My thoughts go back to all those memories that we shared as kids growing up on Oakwood Drive. Your Mom was always there for the children in the neighborhood. Know that you are all in my thoughts and prayers.

Sincerely,
Tim Harrison

“ Aunt Maria, I will miss your smile, laugh and sense of humor but I know your mother, brothers and sisters are waiting by that old battered upright piano that hadn't been tuned in decades. Betty is tickling the keys, Ginny, mom and Kay are holding your place open. I swear Betty could only play one song (not well either), the rest of you would just sing different songs. Never on key or in tune. Heck some of you weren't even singing the same song. Grandma (deaf as a post) would be nodding along completely out of time. You could catch Jimmy smiling sometimes and Marty would jump in now and then. But the laughter could rattle the windows and there was nothing but love in the air. I'd be shocked if any of you were invited to join the heavenly choir but I know heaven will be filled with a lot more laughter and now is a much happier place. Love; Matt, Regina, Katlin and Molly.

It's the passing of an era now. We will miss you, Aunt Marie; but as Michael pointed out, there's one heck of a rollicking reunion party going on beyond those pearly gates. Until we meet again, sing a few rounds of "In a Shanty in Old Shanty Town" and "Don't Sit Under the Apple Tree" for all of us with our beloved family.

Pam, thank you for the love and care you gave to Aunt Marie throughout the years. You and all your family have our deepest sympathy.

Please accept my deepest sympathy -- I just realized that Mrs. Tracy passed away -- my mother at #38 and Mrs. Tracy would go to Woolworth's in their younger married years with some change in their pockets and as Mrs. Tracy said - "They had a ball". When I visited Mrs. Weis at #42, I would stop and visit Mrs. Tracy, too... share the news and memories. Yes, I fondly remember Butchie, too! Gave Mrs. Tracy a picture of of the two of us together and the dog, I was about 2 yrs. old at the time. Fond memories!
