“ *Condolences to all of our extended family and to friends as well. My mother, Audrey Mulligan Gorman, was Marion's cousin. Marion's father John and my grandmother, Mary Margaret McNally Mulligan were very, very close. John and brother George helped build the house that I grew up in, next to Grandma's.*

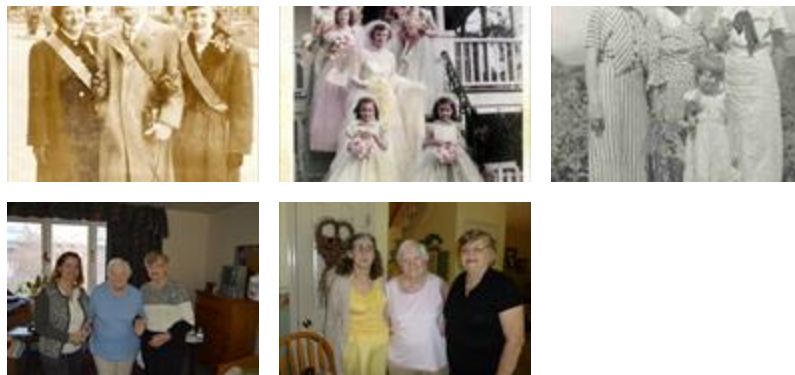

I'm sorry that I didn't know Marion. I have heard wonderful things from my Aunt Betty Mulligan Frezon, who went to Cathedral with her. I read the loving words that others have written, and wish that I had the opportunity.

*Rest in peace, Marion.

“ *I have fond memories of this wonderful woman. So giving and kind. She helped us through my brothers illness and passing, whom she thought of as another son. For taking Madeline, Paul and I (along with the dogs for two of those weeks) all in not just for a night but months. She treated us all as family. I know she has gone on to our heavenly father and is extremely happy and healthy there with the ones who went on before. God Bless the family. Praying for comfort and peace during this most difficult time.*

“ *I am saddened to learn of this wonderful woman's passing. Have no doubt that she is resting peacefully in Jesus' arms, she was an angel on this earth and she has been called to her Heavenly home. Shawn, and all the O'Hanlon family you were so blessed to have Marion for a Mom. Always loving and she lives on in all of you!*

“ *Aunt Marion, my godmother, lives in my heart and memories. I strive to have her positive attitude, laugh in adversity, and stick my tongue out on occasions where it is the most lady like thing I can do or say. Heaven rejoices to have all 9 McNally siblings, spouses, and parents together again. Those of us remaining mourn our loss.*

Deepest condolences.
