“ Me and Marion had such a special relationship. She understood me and I understood her. I loved her and will miss her very much. No one can yell at me like Marion. She will always hold a special place in my heart. Marion had a great spirit and drew everyone in around her. I will miss our daily conversations. Whenever I see someone drinking French Vanillia coffee I will be reminded of my Marion. I enjoyed working with her and having lots of fun with her. Her laugh, her smile and the kisses she blew to me will forever be remembered. Love you always, Kendell.##imported-begin##Kendell Walker##imported-end##
