

Mark Edward Osborn MD

August 27, 1959 - February 18, 2025

ALBANY, NY - Mark E. Osborn, MD, 65, passed away peacefully on Tuesday, February 18, 2025, at Strong Memorial Hospital in Rochester, NY, surrounded by his loving family. Born on August 27, 1959, he was the cherished son of the late William Osborn, Jr. and Nan (Dean) Osborn. He graduated from Shenendehowa High School, class of 1977. Mark realized early on that he wanted to be a pediatrician, and after graduating magna cum laude from Union College in 1981, he attended the University of Vermont Medical School. He then completed his pediatric residency at Albany Medical Center and received Albany Medical Center's first Otto Faust Award for Excellence in Teaching and Patient Care.

Mark started his career in pediatrics in private practice with Dr. Connie Glasgow in Clifton Park, NY. In 1990, he became Medical Director at St. Mary's Health Center for Children and Adolescents in Troy, NY. In 1993, Mark began his thirty-year tenure as Chief of Pediatrics at St. Peter's Hospital in Albany, NY. It was his passion to provide care for the underserved populations in Albany. In conjunction with his administrative position, Mark practiced in two pediatric clinics, including St. Peter's Health Center for Children and the Family Health Center in South Albany. He became a well-known member of the South Albany community, providing care to two and sometimes three generations of families.

Mark's dedication and selfless nature have been consistently acknowledged by his colleagues and the families he served. He was recognized as the 2019 CDPHP Pediatrician of the Year, and in 2023, he was honored by the Albany Medical Center Family Medicine Resident Program with the Community Preceptor of the Year award.

Mark was known for his warmth, strength, and unwavering devotion to family. His daughters, both human and canine, brought him immense joy, and he treasured every moment he spent with them. He had an extraordinary ability to sustain meaningful friendships from every stage of his life and was fortunate to marry his best friend and soulmate in 2019. His kind and gentle spirit left an indelible mark on everyone he helped and loved.

He is survived by his beloved wife, Janet M. Tiberia, of Albany, NY, his two daughters, Olivia G. Osborn, of Latham, NY, and Deanna R. Osborn, of Peru, MA, and his stepdaughter, Sarah J. Carmody, of Boston, MA. He is also survived by his mother, his siblings, Teri (Michael) Fredericksen, of Ballston Spa, NY, William (Shannon) Osborn, of Yorba Linda, CA, Thomas (Katherine) Osborn, of Clifton Park, NY, and many loving nieces, nephews, cousins, and dear friends.

Relatives and friends are invited to visit with Mark's family Friday, February 28, 2025 4:00 pm to 7:00 pm at McVeigh Funeral Home, 208 North Allen Street, Albany, NY 12206. A Prayer Service will be held at 5:30 pm. Please enter the funeral home from the rear parking lot entrance only.

A non-denominational celebration of Mark's life will be held at St. Vincent De Paul Church in Albany on Saturday, March 1 at 11 am. In lieu of flowers, memorial contributions in Mark's name can be made to the Ronald McDonald House or Canine Rescue of Ulster County.

Dr. Mark was my son's doctor for about 5 years. I appreciate that he was a compassionate man who always listens and asks follow-up questions. When I got the news of his passing, my heart sank in despair. The next voice you shall hear is the voice of Jesus, when he shall call your name to say, wake my good and faithful son, so sleep until that Day, and may his family take comfort in the fact they will see their loved one again

*I knew Mark back when he was a resident. We met in the NICU @ AMC. A more dedicated, caring person you will never meet. Always with a smile and a kind word, he made others around him feel blessed to know him.
Mark, you will be missed.*

Michelle M Fletcher - March 05, 2025 at 12:31 PM

MR

Mark and I were friends in high school. I only attended a few class reunions but never saw Mark there. The last time I went to one, I mentioned Mark and was told he'd become a pediatrician in the area, but didn't come because he didn't think anyone would be interested in seeing him. So not true, but time and distance have a way of separating us all.

I remember him fondly and was shocked to see when I searched for him yesterday that he had passed away. I was also amazed to hear he had practiced medicine with Dr. Glasgow who had been my pediatrician growing up. I envision they made the perfect team for caring for children. My blessings and condolences to his family. Please know that he was never forgotten.

“ *My name is Essence. I am 16 and Dr. Osborn was my doctor. He was there for me since I was a baby. He even talked to me during a time when i was struggling. I was already trying to prepare myself for when I turned 18 and he wouldn't be my doctor. I wanted him to see me turn 18.....I am going to miss Dr. Osborn and I hope he knew how much I respected him. Rest in peace Dr. Osborn*

“ I took my granddaughter Essence to Dr. Osborn February 2009. From that day until get last appointment with him November 2024 she has never had an appointment with any other doctor. Not even his PA. Dr. Osborn was a God send for me. I sought his advice on so much. He was truly a gentle soul. My granddaughter is heart broken over his passing and had we known we would've attended his services. To his family thank you so much for sharing him with us. He definitely earned his wings. May be rest in peace

Roni Minter - March 06, 2025 at 08:22 PM

“ Janet, Cathy and I are terribly sorry to hear the sad news. Our heartfelt condolences to you and your family. Mark was one of the most kind and caring person we had ever encountered in our lives. He was a brilliant doctor as well. As a colleague, Mark was extremely dependable, trustworthy, and supportive. His care and compassion for our children and their families were exemplary. Mark's passing away is a great loss to the Capital Region's children and families.

“ I am just hearing of Dr. Osborn's passing. My children were patients of Dr. O (as my kids called him) from the time they were babies. He loved all of his patients and was such a great person and an extraordinary doctor.

Please accept my condolences and prayers for Dr. Osborn's family in this time. Please know that he was loved by not only our family, but by all the families at the clinic. He will be deeply missed. From Violeta & Timothy Lynch and Geniah, Genard, Jr. & Gelissa Phillips

Violeta Lynch - March 04, 2025 at 06:59 PM

JW

“ I have sought Dr. Osborn's guidance for my two young children. He would share similar struggles about himself as a parent and the methods he would use when his girls were young. I asked him to refer another pediatrician, just in case he retires. He didn't give one. He said he wasn't retiring.

Jocelyn Walker - March 04, 2025 at 05:24 PM

“ Oh dr mark Osborn, you were my dr as a child and now my kids dr. We loved you so much and are completely heartbroken about this. This past year was so rough and it felt like you were the only person who would listen to me. Because of you my daughter got the help she needed and i finally got some answers and peace. You were all around amazing. I hope you're up in heaven helping everyone like you did on earth side. You will be greatly missed

“ Janet, I was devastated to learn of Mark’s passing and my heart goes out to you and your family. Mark hired me to work in the Pediatrics group at St. Peter’s Hospital and it was a privilege to work under his leadership for many years. He was a true gentleman with a kind heart, and he was a fantastic doctor with an immense fund of pediatric knowledge and an unlimited affection for his little patients. He was a friend and an inspiration to me and I’m grateful to have known and to have learned from him.

Frederick Garbrecht - February 28, 2025 at 05:56 PM

“ St. Peter’s Pediatric and their incredible staff, including Dr. Osborn, cared for my three sons for many years. Early on, my boys would come home from their appointments and play ‘Dr. Osborn and Janet’ - a testament to how safe and comfortable they always felt in his care. Dr. Osborn had a rare gift he was compassionate, kind, and deeply thoughtful. He touched countless lives with his selfless dedication and will be profoundly missed.

“ Dr. Osborn was my childhood doctor. Even from a young age, I remember never being afraid of going to the doctor - Because he was the doctor!

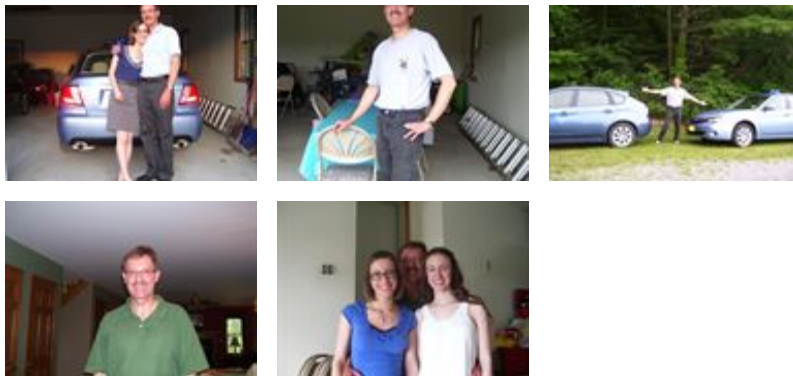

Dr. Osborn had the special gift of true kindness; an unforced, genuine care for everyone in his life. He helped me grow up happy and healthy - And, taking from his example, with a smile on my face.

Sending my and my family's love in memory of this wonderful man.

“ To Mrs. Osborn and her three daughters my condolences to you all on the lost a an amazing man Mr. Osborn was all 7 of my children doctor and then he became my grandchildren doctor we all love Mr. Osborn and I heart are hurting we wish yall the strength to get through this hard difficult to we love you guys rip Mr.osborn gone but never ever forgot I have tears in my eyes writing this

Patricia Mcmillian - February 26, 2025 at 01:04 AM

DB

“ It was with great sadness that I read of Mark's passing. I had the privilege of teaching Mark in my Bachelor Living class at Shenendehowa High School then taught Deanna in Child Studies courses. He was one of a few high a school seniors who was certain about his future. I clearly remember his telling me "I am going to be a doctor". Teachers like to hear of their former students successes and I was not surprised to hear of Mark's position at St. Peter's.

As a doctor, he graciously spoke to the 100 Child Development students in my classes referring to it as payback for teaching him. I will forever remember him.

Please accept my sincerest condolences.

“ I was lucky enough to have hired Mark to serve as Medical Director of the St Mary's Childrens Health Center. His committment, compassion and skill was the shining example of our mission to provide quality service to the poor and under served. His untimely death is surely a blow to all he served.
A donation in his honor is ade to the Ulster Co Canine Rescue
Claire Murray, RN VP Patient Services.

“ Dr. Osborne was such a pleasure to work with and his patients adored him. With his quick wit and dry humor he could have us all laughing when the office got crazy. Really miss him.

Angelique Papadopoulos - February 24, 2025 at 07:20 PM
