

Mark Sullivan

July 5, 1953 - September 16, 2023

Albany, NY-Mark Sullivan passed peacefully at his home with his wife by his side on September. 16, 2023.

Born July 5, 1953, to William and June (Allen) Sullivan, Mark lived his entire life in Albany. He began his education at Cathedral Academy and graduated from Cardinal McCloskey High School.

A mutual friend introduced him to his wife, Georgia, in July of 1976. They enjoyed more than 46 years of marriage and together raised four children.

Within a year of graduating, Mark began working in the mailroom of the New York Telephone Company. The hard work and dedication he demonstrated in this and all pursuits in his life led to an almost 40-year employment through many roles and company name changes, culminating in him serving as a manager for Verizon. Upon the conclusion of this career, Mark spent more than seven years as a member of the housekeeping department of the Honest Weight Food Co-Op. There, as everywhere, he was cherished and greatly respected.

Mark was devoted to the Albany community. Throughout his life, he was recognized for the services he so freely provided: as an altar boy, the Grand Knight at the Albany Knights of Columbus, president of the Beverwyck

Neighborhood Association, a Meals on Wheels delivery volunteer and a member of his church's parish council.

Family was always the center of Mark's universe. He was present at nearly every school and extracurricular activity in which his children participated. From the time his oldest child joined a T-ball team at Westland Hills in 1983 until years after his oldest grandson graduated from the league, he was a dedicated volunteer, serving as coach, manager, board secretary, groundskeeper, French fry chef and more.

There is nowhere on Earth Mark enjoyed spending time more than Pyramid Lake, which served as the family's annual vacation destination beginning in 1984. For Mark, Pyramid Lake was a peaceful place to relax as well as rejuvenate. He was known as a reliable source of laughter and endless playful energy not just by his children, but all campers. His talent for building bonfires was admired by all.

Music soothed Mark throughout his life. He introduced his children to countless artists across many genres and enjoyed educating them and his wife on song title, artist and other trivial information. A pop-quiz was never out of the question when listening to the radio.

Mark was a voracious reader, a trait he shared eagerly with his family. Beginning with bed-time stories and, as his children grew older, distributing pieces of his personal library, Mark loved sharing his favorite books. More privately, Mark frequently expressed himself through writing, most often in the form of poems and letters to loved ones.

Mark is survived by his wife, Georgia; children Julie, Andrew, Rachel and Kevin (Jackie Bubel); grandchildren William Traynor, Arianna, Laila, Jaxton, Namay and Nivado; and his faithful canine companion, Cooper. He is also

survived by his brother Brian, sister Betsy (Chris) Koval, and many nieces, nephews, cousins and friends.

“ *My deepest condolences go to Mark's family. My favorite memory with him was at PLC when I was probably about 12 years old. Somehow he and I ended up on the porch of the lodge during a classic Adirondack rainstorm. We talked for a while, about what I can't remember, but the feeling remains. He spoke to me as an equal and I'll always remember that as my first real adult conversation. I appreciated that so much and will never forget him. He was a great man.*
