“ Dear Jeanne, Marlene, Dennis, Thomas and Kevin,

We're sorry to hear of your loss. We would have loved to be at her funeral, but my husband was ill last weekend and unable to travel. He is improving steadily but I understand that it takes awhile to recuperate from a severe case of sciatica. Martine was 5 years older than me and a first cousin that I admired very much. She was a wonderful role model. Martine and her siblings spent some summers with us on a dairy farm in Conn. Armand and I have many happy memories. I also visited them in Albany and learned to rollerskate down your steep sidewalks holding on to the railings of apartment steps. We also enjoyed Roy Roger movies very much at a theatre near their home. I'm sure you will miss her but know that she is with her loved ones where there are no more tears. Sorry we weren't able to get to know her children better but I am sure that you have all inherited some of her great qualities.
