“ *Please send this on to Mary Lou’s family. I was thinking about all of you for some reason today. I googled your parents and learned that they had passed. I worked with Mary Lou in Bill Burn’s office when I was a law student and often went to their house for Sunday dinner. I remember all of their children. A totally beautiful family. I can’t believe Dom and Mary Lou are gone. God bless them and their family. You were all so good to me. Jim Winkler.*

“ *God bless you Mary Lou and all of your family....growing up down the road from you was a joy and a pleasure. I will always remember the peaceful nature of Mary Lou. It brings me grief mixed with joy that she is home again to her Creator. My hunch is that she will continue to be someone to turn to when you need someone to listen. You are now at rest with my father Frank and mother Rose.*

“ *My fondest memory with Aunt Marylou was going to their home for whatever reason and watching her make her homemade pasta. Our family was known for our great pasta sauce. But she made the pasta. And she would tell me it was made with love. I will miss you!!!!*
